Learning together afternoon 2.30pm Wednesday 1st February

We invite you to join us for a Learning Together afternoon. The focus will be maths and you will also have the opportunity to look at your children's workbooks and share their learning. If you have more than one child in school, you can move between classes and spend some time in each child.

At the end of the afternoon, we will ask you to wait on the playground while the children get ready for going home.

Parent Consultations

Parent consultations will be taking place as below. Please email Mrs Bellwood admin@sharow.n-yorks.sch.uk to book your appointments.

Goodbye and good luck to Miss Copperthwaite

Miss Copperthwaite begins her maternity leave today. We all wish her the best as she awaits her new arrival.

Mr Bishop has already popped in to begin to get to know everyone and has had lots of meetings with both Miss Copperthwaite and Mrs Kendrick to make sure he is fully informed about what the class have been doing. Please introduce yourself to him when you can so that he can get to know you too.

What Do You Do?

Many thanks to those of you who have filled in the form 'What do you do?' to offer to come into school and share your careers with the children. The information you have given has been passed onto Mr Bishop to organise over the coming term. We are very much looking forward to having you in! If you have not yet completed the form, it is still accessible so any more offers would be very welcome. Please complete the form [here](#) if you are interested in sharing your experience with us. We look forward to hearing from you and learning all about your world of work!

Miss Copperthwaite - PSHE lead.

Strike Action

You may be aware from media coverage that teaching unions have declared strike action. The strike is happening because of a national dispute between the unions and the government over teachers' pay.

We will keep you informed as much as possible about our arrangements.

Mystery Reader

Mystery reader is back!

It is simple and fun to do...

Choose a cunning disguise - or simply have your back to the camera. Read/ recite your favourite part of a story or poem, film it and then send it to admin@sharow.n-yorks.sch.uk with the subject as 'mystery reader'.

Any child that takes part will receive a certificate and will be entered into a prize draw for a special gift from Iron Biby himself and a £10 Little Ripon Bookshop voucher. All children can enter, from nursery to Year 6, and the winner will be announced on Thursday 30th March.

Safeguarding

Building Healthy Relationships whilst Socializing Online

The use of the internet among young people is now everywhere. The rise in the cultural acceptance of internet relationships between young people and strangers that they play or talk with online, has opened the door to dangers. Yet it is only a small amount of these relationships which turn out malicious, but children and young people may find it difficult to understand when that arises. The Information Commissioners Office, the UK's information rights agency, has published guidance on what to look for when these relationships turn sour. And more importantly, what to do about it. To find the guidance please follow the link below:

Fantastic Football

Sam's team played Blackburn Rovers academy U9's this week, who are footballers that are signed with contracts, and they won, very unexpectedly. Fantastic team work led to a brilliant result. Sam scored 3 goals and was picked as the Man of the Match.

We wish the team good luck in the final next week.

Out of school achievements

If your child has any out of school achievements, we would love to hear about them. Send pictures and information to admin@sharow.n-yorks.sch.uk
