### Flourish Awards

Children who have been recognised as flourishing this week:

Alistair	For exceptionally fantastic writing
Emily	For exceptionally fantastic writing
Hector	For exceptionally fantastic writing
George	For noticing when someone needed help and supporting a friend with their maths
Jacob	For helping others to flourish by being a good friend and role model.

### Learning Together Afternoon

Thank you to everyone who joined us for our Learning Together afternoon. We hope it has given you a glimpse into our maths teaching and allowed you to see how wonderful your children are at thinking as a mathematician.

If this has raised any questions about maths in our schools, then you can either speak to the class teacher, take a look at the maths area on the [website](#), or wait till the forthcoming maths evening for parents.

### Parent Responsibility for Siblings

Parents are reminded, that they are responsible for the safety of siblings on school sites and they must remain under close parental supervision.

### Children's Mental Health Week

**Children's Mental Health Week will take place from 6-12 February 2023. This year's theme is Let's Connect.**

**Let's Connect** is about making meaningful connections. Human beings thrive in communities, and this connection is vital for our wellbeing. When we have healthy connections – to family, friends and others – this can support our mental health and our sense of wellbeing. And when our need for rewarding social connections is not met, we can sometimes feel isolated and lonely – which can have a negative impact on our mental health.

As parents and carers, you play an important role in your child's mental health. Check out the official free resources on the website. [Families - Children's Mental Health Week \(childrensmentalhealthweek.org.uk\)](https://www.childrensmentalhealthweek.org.uk)

### Parent Consultations

Parent consultations will be taking place as below. Please email Mrs Bellwood [admin@sharow.n-yorks.sch.uk](mailto:admin@sharow.n-yorks.sch.uk) to book your appointments.

### What Do You Do?

Many thanks to those of you who have filled in the form 'What do you do?' to offer to come into school and share your careers with the children. The information you have given has been passed onto Mr Bishop to organise over the coming term. We are very much looking forward to having you in! If you have not yet completed the form, it is still accessible so any more offers would be very welcome. Please complete the form [here](#) if you are interested in sharing your experience with us. We look forward to hearing from you and learning all about your world of work!

### Mystery Reader

### Mystery reader is back!

It is simple and fun to do...

Choose a cunning disguise - or simply have your back to the camera. Read/ recite your favourite part of a story or poem, film it and then send it to [admin@sharow.n-yorks.sch.uk](mailto:admin@sharow.n-yorks.sch.uk) with the subject as 'mystery reader'.

Any child that takes part will receive a certificate and will be entered into a prize draw for a special gift from **Iron Biby** himself and a £10 Little Ripon Bookshop voucher. All children can enter, from nursery to Year 6, and the winner will be announced on Thursday 30<sup>th</sup> March.

## Safeguarding

---

### **The 'Game' On Roblox**

Recent reports have surfaced of a self-harm 'game' currently being shared through popular gaming platform, Roblox. inEQE's online safety team have identified that re-sharing on social media is currently the greatest risk this 'game' poses. Their Safeguarding Update discusses this game in more detail and how you can keep the young people in your care safe.
