### School Meal Price Increase

School meal prices will increase in September to £2.10 for a nursery meal and £3.74 for KS2 meal. This is a reflection of the increase in costs generally, including food and transport.

Our NYES Catering service provides school meals to over half of the schools in North Yorkshire, with the aim of bringing enjoyment to school lunchtimes with local, fresh, great quality food being at the heart of what we do.

They follow a healthy eating policy, with 75% of our food produced daily in our own school kitchen. We provide:

- fresh meat and poultry sourced from the region and Red Tractor approved free-range eggs and sustainably caught fish
- a menu that is fully compliant to the School Food Standards
- fruit and vegetables sourced regionally where possible using local suppliers to promote local businesses and reduce our carbon footprint
- products free from additives associated with health problems in young children
- a menu that is nutritionally analysed, as well as being checked by a registered nutritionist
- information and menu guidance on any specific dietary requirements any staff or pupils may have
- fats free from hydrogenated oils
- menus that are nutritionally balanced

### **Out of School Achievements**

Annie got her level 6 badge for gymnastics this week – well done Annie.

If your child has any out of school achievements, we would love to hear about them. Send pictures and information to [admin@sharow.n-yorks.sch.uk](mailto:admin@sharow.n-yorks.sch.uk)

## **Information for Parents**

### **Redeem your vouchers for free holiday activities this summer**

We have issued vouchers to all families whose children are eligible for free places on FEAST activities this summer. You should have received this via email or text, from a platform called Holiday Activities. Follow the link in that email/text to redeem your voucher and request your child's place on some of the fantastic activities on offer across North Yorkshire.

Please note that an activity showing a waiting list does not always mean that an activity is full. To help ensure as many families as possible get to take part in FEAST, most activity providers will open a waiting list for all booking requests before confirming places. Please request a place and you will receive an email/text notification from Holiday Activities if your place is confirmed.

If you believe your child is eligible and you have not yet received your voucher, or you have lost it, please contact the school office.

To learn more about FEAST, and for information on activities, eligibility and how to manage your bookings, [visit the website](#). For a step-by-step guide on how to redeem your vouchers and book a place using HolidayActivities, [watch this video](#).

### **Summer Reading Challenge**

Libraries across North Yorkshire are getting creative with this year's Summer Reading Challenge Marvellous Makers which is themed around creativity. The Summer Reading Challenge is aimed at children aged 4-11, encouraging them to keep reading and enjoying books throughout the summer. Children can sign up at any North Yorkshire library from 13th July and will receive their collector's

folder to get them started. There are stickers to collect along the way and children complete the challenge by reading at least 6 books by 7th September. All children who complete Marvellous Makers will be awarded a medal and a certificate. It's FREE to join your local library and FREE to sign up for Marvellous Makers. And look out for loads of fantastic events for children and families happening in our libraries throughout the summer holidays.

**Outdoor learning – school holiday activities: ready for an action packed summer in the great outdoors?**
