Flourish Awards

Jake Von Goetz

Well done to Jake for writing his own independent sentences!!

Oakley Von Goetz

Well done to Oakley for explaining his reasoning in Math's

Finally, summer weather is here!

Now that the weather is looking better, please make sure that children have sunscreen applied in the morning before school and bring additional with them in a named container. Sun hats are also recommended.

As we live in England, they may also need: wellies, woolly hats, gloves, raincoats and waders.

Staffing news

Miss Tye, our year 3 and 4 teacher, will be leaving us at the end of this term. She has been an integral part of our school community, with her dedication, passion, and commitment to our children, but it is time for her to move onto new horizons and further her career in a new school. Miss Tye will be missed by the children and staff at Sharow Primary School. We all wish her well with her new adventure.

Due to this change in our staffing, Mrs Curzon will take up a full-time position from September, which leaves us with a part-time vacancy.

We understand that this news may come as a surprise and evoke various emotions. Please be assured that we are in the process of recruiting a highly qualified teacher who will continue to uphold the high standards of education and care that you have come to expect from our school.

It is understandable that you are eager to know who will be teaching your children in September, and staffing details will be shared as soon as we are able.

Parent Survey

If you haven't completed the Parent Survey you were sent, please do so.

<https://forms.office.com/e/81sNgE1C80> We very much value your views and they are used as part of our school improvement process.

Parent Forum

The notes from the meeting can be found on the school website.

Forest School Summer 2

Over the second half of the summer term all the children in school are able to have extra Forest School sessions. Below are the allocated sessions for Summer 2.

June 25th	Bath
July 2nd	Bath
July 9th	Hawking
July 16th	Hawking

Have you ever wondered what goes on in one of these sessions?

Forest school is a child centred learning process, providing learner inspired, hands on experience in a natural environment. It encourages, promotes and develops independence; resilience; confidence; perseverance; risk management; problem solving and social skills. It enables individuals to reconnect with nature and place: developing awe and wonder in the natural world. Children find new skills, new talents, new passions, new friends and they have FUN!

As we watch seasons unfold, life cycles develop, weather impact surroundings, creatures go about their daily lives, we are learning inordinate amounts about ourselves, our world (and even our curriculum!), in an active, experiential way: through play. Alongside this, we are developing practical skills like using tools, manipulating materials, building shelters, fire lighting, cooking, fire safety, tool safety and teamwork. Through risk, challenge and adventure we develop our gross and fine motor skills: building muscles which will make us stronger and more capable humans.

Many of the skills we learn at Forest School will help us back in the classroom, with physical elements like sitting straight and holding a pencil, but also: improved concentration levels, increased intrinsic motivation and improvements in behaviour, are regularly reported.

In a fast pace world of never-ending technology and instant gratification, Forest School gives us the time and space to slow down, reduce anxiety, decrease stress, self-regulate, improve our mental health and BE HAPPY!

[Why not join us? We are always looking for volunteers to come and help us out. It doesn't need to be every week – it might just be one session. Get in touch if you would like to discuss this further.](#)

25th June Class Photographs

School House Photography will be in school on Tuesday morning to take this year's class photographs. Please make sure children are in the correct uniform – with jumpers or cardigans even if it is warm.

Bath Class should wear their uniforms to school and bring a change of clothes for forest school.

4th July Sports Day 1.30pm

In anticipation of some sunshine, please make sure you have applied suncream to your children in the morning and send them with a named container to apply more at lunchtime. Water bottles and hats are also essential.

You will be free to take children home after the afternoon's activities are completed. If not, we will keep them until our normal finish time and after school club will still be available.

Sports day helpers

At the finish line: We need three parents to help on Sports Day to identify first/second/third place winners in competitions, and hand out stickers.

Serving refreshments: We need a couple of people to help out with refreshments so that everyone can be swapped over to ensure they can watch their children racing.

If you're able to help out, please email admin@sharow.n-yorks.sch.uk or call the office 01765604362

9th July Bath Class Play 6pm

Bath Class will be performing Mary Poppins at 6pm on Tuesday 9th July. Seats need to be reserved by link to be issued next week.

15th July Piano Concert 2.30pm

A chance to be entertained by our pianists. If there are any children who play the piano and are not taught in school, they are also invited to perform. Please let Mrs Robinson know so that they can be added to the programme.

If you wish to attend, please complete this form to ensure you are allocated a seat: [Link to follow](#).

Out of School Achievements

If your child has any out of school achievements, we would love to hear about them. Send pictures and information to admin@sharow.n-yorks.sch.uk

Information for Parents

Summer Fair Volunteers Plea!!

Can you help the FOSS volunteers with the summer fair? We are looking for willing parents/carers/family members who could

- Help with set up/clean up
- look after a stall or game
- provide a raffle or tombola prize
- bake for our cake stall

If you think you might be able to help please text/whatsapp 07810 520336 or email fossharow@gmail.com
