

Outdoor kit list

Your child is going to be taking part in Forest School sessions. We will be using tools, climbing trees, and kneeling in soil! As it can be wet and muddy children will need to wear old clothes to participate safely.

Please provide your child with the following items each week:

- A pair of wellies
- A change of clothes (old ones that cover arms and legs, no jeans)
- Waterproof trousers
- Waterproof coat
- A bag to put muddy wellies and waterproofs in after the session
- Spare socks

On cold days they will need:

- Layers of warm clothing (vest, under-warmer top and leggings, long sleeved t-shirt, fleece, warm, waterproof coat)
- Hat and gloves
- Thick, warm socks

We do go out in all weathers, so waterproofs are essential! Waterproof trousers are handy all year round to enable full participation in all activities on offer without worrying about muddy, wet knees. They also are a great extra layer in the cold.

Thank you for your support.

Madeleine and Rachel
