Coronavirus/COVID-19

At this point in time all schools and educational providers have been told to remain open by Central Government and North Yorkshire County Council is following these guidelines. For the latest updates please follow the official guidance:-

<https://www.nhs.uk/conditions/coronavirus-covid-19/>

Public Health England would like me to share with you:-

The importance of hygiene

Personal hygiene is the most important way we can tackle COVID-19, especially washing hands more; and the catch it, bin it, kill it strategy for those with coughs and sneezes.

How to wash your hands properly

Wash your hands more often for 20 seconds with soap and hot water.

Watch this short NHS film for guidance:

- <https://youtu.be/bQCP7waTRWU>

Teach young children how to wash their hands with the NHS handwashing song:

- <https://www.youtube.com/watch?v=S9VjeIWLnEg>

Public Health England recommends that in addition to handwashing before eating, and after coughing and sneezing, everyone should also wash hands after using toilets and travelling on public transport.

All pupils, students, staff and visitors should wash their hands:

- before leaving home
- on arrival at school
- after using the toilet
- after breaks and sporting activities
- before food preparation
- before eating any food, including snacks
- before leaving school

Your support for your child's education is crucial to their progress. Please tell us if there are any adjustments we need to make to help you support your child, for example: letters in large font; letters in different languages; wheelchair access; explaining things over the phone; a discussion with a school colleague of the same gender.

GIRLS FOOTBALL AT HARROGATE TOWN AFC

Dear School/Girls Grass Roots Football Club,

As women's and girls' football is growing massively in the UK, we would like to draw your attention to the work done here at Harrogate Town AFC to support this exciting development.

On Friday evenings between 4.10pm and 4.30pm, we provide 90 structured coaching sessions for all girls between the ages of 8 and 16. At present we have over 60 girls who attend our sessions across all age groups. The girls are split according to age and ability so we operate on 10 level playing fields.

We call this our POC - "Player Development Centre".

The aim of the POC is to provide coaching to all girls within a fun environment to help and support them at their current stage of development. The sessions are run at The OMD Stadium on the stable of the 40 pitch to ensure we are never affected by the weather.

All our coaches are FA qualified and provide additional coaching sessions accompanied by small-sided games. We also work in conjunction with our local girls grass roots football clubs whereby the coaching the girls receive at the POC helps them when playing for their team. If girls are looking to find a grass roots football club to play for then we can also put you in contact with our partners.

Over the course of the season we aim to provide small-sided tournaments held at the OMD where our POC teams appear if Harrogate Town. The girls can stay with their football club if they are established within the POC programme. They will quickly become aware of the progression pathway we provide here at Harrogate Town. The pathway starts at POC age group 8-16 all the way to the women's team for those who want to be the best they can. On the other hand, if capabilities are purely social then we cater for that as well.

The cost of a POC session is £29.80 per calendar month and girls will be expected to buy their own Harrogate Town kit.
