

MARRICK PRIORY OUTDOOR CENTRE CLOTHING AND EQUIPMENT LIST

Sharow CE School Visit – UPDATED 17.11.21

The quantity of clothing you bring will always depend on your visit duration and chosen activities.

Generally participants will be encouraged to wear clothing in layers, according to the time of year and prevailing weather conditions (3 or 4 layers on the upper body are normal for most activities). Synthetic, rather than cotton, material is commonly regarded as being more effective as a base layer (next to the skin). Denim jeans are not suitable for outdoor activities, but are ideal to be kept for evening indoor recreational use.

A suggested check list, based on a three day programme, is as follows:

Please see the amendments highlighted yellow.

The items in this kit list will need to be in the bag your child is taking.
