Sports Week – What a week!

Add some photos and something about each day.

Cross country	Berlioz & Beethoven took part in their Cross Country Competition at Newby Hall on Monday. They had a great time meeting children from other schools													
Balance bikes		The children in Nursery – Year 2 all took part in a balance biking activity. The children had lots of fun riding around the obstacles!												
REAL PE @Home	<p>REAL PE at HOME launch afternoon</p> <p>Thank you to everyone who took part in the learning together afternoon on Wednesday. We were impressed by everyone's efforts: Sports Leaders for demonstrating such maturity and leadership qualities; parents for their enthusiasm and willingness to join in; children for sportsmanship, teamwork and resilience; and Mrs Kendrick for putting it all together.</p> <p>Most of all we had fun in the sun whilst taking part in the incredible circuits. Keep it up at home too!</p>													
Multi-Sports	Bach & Beethoven took part in a Multi-Sports activity at Ripon Outwood. They had lots of fun joining other children.													
Sports 4 Champions		We were lucky enough to have a visit from Leon Baptiste this week. Leon is a Team GB sprinter and he put the children through their paces!

Toy Sale for Lucie's Animal Rescue Centre 14th June

Bea will be holding a toy sale after school on Wednesday 14th June to help raise money for Lucie's Animal Rescue Shelter. Please come along to support this wonderful event.

Weekly Science Share

Over the past term the children have enjoyed looking at, learning about and discussing many different aspects of science in a weekly science share.

I have chosen all of the science shares so far. Now it is over to you!

How does it work?

- You can choose anything you notice in the world around you. It could be a strange insect, an unusual plant, a rock you find, a machine or a noise. It might even be a scientist you hear about or read about.
- Take a picture or video of what you find.
- Conduct some research into what your object is, what it is used for or how it works.
- Share your image/video and findings on your private channel on Teams. These will then be shared throughout school on a weekly basis.

I can't wait to see all of the scientific things you find in the world around you.

Pyjamarama 30th June

Children are invited to wear their pyjamas to school and a donation of £1 is invited. They will spend the day reading, enjoying, and sharing stories all in the comfort of their pyjamas to raise vital funds to help make sure that no child misses out on their bedtime story.

We will finish our day with a bedtime story. Could you read a bedtime story with the children? If you've got a favourite story you would like to share, and would be available at 2.45pm on Friday 30th June, please let us know.

Staff changes

Mrs Dixon will be moving on to a new school at the end of the year. She has been at Sharow for over 10 years and will be included in the memories of many who have been part of school.

Mrs Kendrick will be leaving us at the end of the year. She has had a wonderful time working with everyone across the federation over the last few years and has decided to take a bit of a break from the hustle and bustle of school life.

Recruitment has already begun, and we are feeling excited to see who will be working with us in the new year. We will keep you updated as soon as we know more.

Packed Lunches

Ever tried smashed carrot. These can either be eaten as a dip or as a side. [Smashed-Carrots.pdf \(vegpower.org.uk\)](https://www.vegpower.org.uk)
