Road Safety Talks

On Monday, Lauren Doherty BEM BCAV came and spoke to the children to raise awareness about road safety. To see the work Lauren is involved with and, how she is helping children all over the county please check out her facebook page <https://www.facebook.com/roadsafetytalks>

Royal British Legion

Thank you to Mr Hart and members of the Royal British Legion who we joined in St John's churchyard today for Collective Worship. After Rev'd Ruth spoke to the children, the children were given a cross to place on the graves of fallen soldiers.

Our service children have designed medals and the year 5/6 children were joined by Rural Arts workshop to decorate crowns and these are on display in Ripon Cathedral.

Children are invited to come to school on Friday 11th November in their Girlguiding or Scouting uniforms.

Lockdown

Each term we practise our Lockdown procedure which involves everyone making sure they were inside the buildings and the buildings were secure.

If this was a real situation, we would rely on your support which is outlined in our procedure document. This is the parent section:

Communication between parents and the site

Site Lockdown procedures, especially the arrangements for communicating to parents, should be routinely shared with parents / guardians either by newsletter or via the site's website.

Should a Lockdown occur, it is advised that developments are communicated to parents / guardians as soon as is practicable and in some cases in agreement with the emergency services and the most senior member of staff overseeing the incident. Parents will naturally be concerned, anxious and all accurate information releases will assist to alleviate undue anxiety.

Parents / guardians should be given enough information to enable them to understand the potential outcome and when possible time frames so that they:

- Are reassured that the site / emergency services understands their concern for their child's welfare, and that everything possible is being completed to ensure their safety.
- Parents / guardians must be made aware to refrain from directly calling the site's office. Calling the site will tie up telephone lines that will be required to be used by the responsible person and the emergency services.
- Parents / guardians must refrain from initially attending the site. This may interfere with the emergency provider's access / investigation and may put themselves and others in danger.
- Parent / guardians must wait patiently until a safe and satisfactory outcome has been achieved and agreed by all parties, where a designated safe area will be identified for the safe handing over of the children to their parents / guardians.

During the initial "breaking news" of the incident it is vital that all parents are reassured regarding the welfare and safety to their children is paramount and that the matter is being dealt with by the emergency services and NYCC jointly to resolve the matter as soon as possible with little impact to the children and the wider community.

However, it must also be stressed that at this time "the site is in a full lockdown procedure. During this period the switchboard and entrances will be un-manned, external doors will be locked and no person is allowed in or out of the premises until further notice.

Plea for help

Nursery and reception children are visiting Harlow Carr on Tuesday 15th November and need more parent helpers. If you are available, please speak to Mrs Hornby, Miss Coventry or the school office.
