School Meals

Hot lunches have been very well received by the children – lots of positive comments received and clean plates all round! Some of the comments received from children have been “good, would prefer less peas but, the puddings are good”, “the chicken korma was really nice”, “really good especially today, ‘fishy Friday’”.

Parents' Consultation 19th October – 22nd October: Reception – Year 6

Due to current safeguarding measures in school, parent information meetings will be conducted by telephone. You should be aware that they will be made from a withheld number. Each appointment will be strictly timed to 8 minutes to allow enough time to speak to everyone. The purpose of the meeting is to let you know how your child has settled back into school and share with you our recent learning assessments.

These meetings are only offered once a term, so if you have any concerns, please speak to the class teacher when they arise so that they can be resolved quickly.

Remote Learning Devices

Thank you to everyone who has completed the short survey on your child's access to Remote Learning. It is vital that we have a response for each child from Reception through to Year 6. If you haven't completed as yet please click [Remote Learning Devices Form](#)

Class 1 plea

Class 1 would be very grateful for any donation of soft wood remnants that you may have at home.

Parents of Nursery Children

Children born between 01 Sept 2016 and 31 Aug 2017 are due to start school in September 2021. To apply for a Reception place please click [apply-place-primary-or-secondary-school](#). The deadline to submit your application is 15 January 2021. A place in Sharow Nursery does not guarantee you a place at Sharow School and you must apply online.

FOSS

Bags2School

Thursday 15th October - please bring in unwanted clothes and paired shoes in bin bags to school drop off. Please leave to the right of the school gate. FOSS will earn money based on the weight. The clothes are then recycled/reused. Please feel free to ask your neighbours and family too.

Christmas Cards

Children will be creating their own personalised Christmas card designs again this year. You will be able to purchase in packs of 12. Mugs, bags, gift tags will also be available to purchase.

We are very grateful to FOSS for their support in raising funds to enhance the learning resources in school. If you would like to be involved there is an AGM on Thursday 22nd October via Zoom at 8pm. Please email fosssharrow@gmail.com for further details.
