Dear Parents/Carers,

Marrick Priory Residential 18th – 20th October 2023

We are looking forward to our Year 3 and 4 residential to Marrick Priory. Follow this link to learn a little more about the adventure that awaits: [Residential - Outdoor Adventure Activities - Marrick Priory](#)

For some of the children this may be the first overnight school trip away from home and they may feel a little anxious – as might you. Despite this, we are confident that the children will have fun whilst: experiencing new challenges, developing teamwork and communication skills and gaining a greater understanding about what they can personally achieve. These challenges, whether it's mastering an orienteering course or learning how to put a duvet cover on, will empower the children and allow them to flourish as strong, independent individuals.

The cost of the visit is £260, and this amount has been added to your parent pay account. Deposits of £50 should be made by Friday 28th April 2023 and full payment must be made before Friday 19th September. If you find that you have financial difficulties and would like to discuss payment options, please get in touch with Mrs Palmer.

We know that they are going to have the most wonderful time because our leavers in Year 6 always comment on the residential experiences they have had at Sharow as being the most memorable and exciting of times.

Kind regards,

Jacqui Palmer
