Schools must use the funding to make **additional and sustainable** improvements to the quality of PE and sport they offer. This means that you should use the Primary PE and Sport Premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit gov.uk for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend. Under the [Ofsted Schools Inspection Framework](#), inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively [governors](#) hold them to account for this.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment. We recommend regularly updating the table and publishing it on your website as evidence of your ongoing review into how you are using the money to secure maximum, sustainable impact. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> • Children at Sharow participate in a broad range of sports and physical activities throughout the year (100% participation from Y1 – Y6). • All children have two hours of quality PE each week within school. • Inter and intra school competitions have high levels of participation at Sharow. • Sports funding used to employ a specialist sports and dance coach. • The specialist sports coach upskills members of staff. • REAL PE resources – multi-ability approach to teaching PE. • Children at Sharow Y2/3) attend weekly swimming sessions from September until Easter. • Weaker swimmers in Y4/5/6 are offered additional booster swimming sessions. • Each school has an annual sports day – where parents are encouraged to participate. • 2016/2017 Sharow received the GOLD School Games Mark 	<ul style="list-style-type: none"> ○ To use KABOCA to gain a baseline level of physical activity levels outside of school and an overview of the pupils daily nutrition. ○ Develop awareness and promote the 30:30 agenda. ○ Embed physical activity into the school day through active travel to and from school and active teaching. ○ Increase the profile of PE and sport within all staff. ○ To target the least active and to ensure that they are taking part in additional physical activity opportunities. ○ Partner with local clubs – taster sessions in school. ○ Apply for the Youth Sports Trust Quality Mark (baseline assessment needed for both schools) ○ Re-apply for the School Games Mark. ○ Re-establish School Sports Crew ○ Embed physical activity into the school day through active travel to and from school and active teaching.

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below*:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	87.5%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	87.5%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	87.5%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes/No

*Schools may wish to provide this information in April, just before the publication deadline.
