Sharow CE Primary School

## Key Instant Recall Facts

Progression of key instant recall facts

|  | Nursery | Reception | Year 1 | Year 2 | Year 3 | Year 4 | Year 5 | Year 6 |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| Autumn 1 | I can say the numbers 0-5 in order I can say the numbers 0-10 in order | I can say the numbers from 0-5 and back from 50 in order I can say the numbers from $0-$ 10 and back from 10-0 in order | I know number bonds for each number to 6 I know number bonds for each number to 10 | I know number bonds of 20 I know number bonds to 20 | I know the multiplication and division facts for the 3 times table. | I know the multiplication and division facts for the 6 times table. | I can revise and know the multiplication and division facts up to $12 \times 12$. | I can revise and know the multiplication and division facts up to $12 \times 12$ \& I can revise and know the multiplication and division facts for the 25, 50, 75 and 100 times table. |
| Autumn 2 | I can link numerals to amounts 1-3 I can link numerals to amounts 1-5 | I can subitise (recognise quantities without counting) up to 5 <br> I can subitise (recognise quantities without counting) beyond 5 | I can count forward in steps of 10, 2 and 5 <br> I can count backwards in steps of 10,2 and 5 | I know the multiplication and division facts for the 2 times table. I know doubles and halves of numbers to 20. | I know the multiplication and division facts for the 4 times table. | I know the multiplication and division facts for the 9 and 11 times tables. | I can recall metric conversions and convert units of measure. | I can convert between decimals, fractions and percentages. |
| Spring 1 | I can subitise (recognise quantities without counting) up to 3 <br> I can subitise (recognise quantities without counting) up to 5 | I can say the numbers from 0-10 and back from 10-0 in order <br> I can say the numbers from 0-20 and back from 20-0 in order | I know doubles and halves of numbers to 10 I know doubles and halves of numbers to 20 | I know the multiplication and division facts for the 10 times table | I know the multiplication and division facts for the 8 times table. | I know the multiplication and division facts for the 7 times table. | I can identify prime numbers up to 50. <br> I can identify prime numbers up to 100 . | I can identify prime numbers up to 100 <br> I can identify prime numbers up to 200 |
| Spring 2 | I can count objects saying 1 number for each item up to 5 I can say how many are in a set after counting | I can say 1 more or 1 less than a given number up to 10 <br> I can say 1 more or 1 less than a given number up to 20 | I know number bonds of 10 I know number bonds of 20 | I know the multiplication and division facts for the 5 times table | I know number bonds for all numbers to 20. <br> I can identify addition and subtraction fact families for all numbers to 20 | I know the multiplication and division facts for the 12 times table. | I know key facts about geometry and shape (Yr5) | I know key facts about geometry and shape (Yr6) |
| Summer 1 | I can compare quantities using the language 'more than' or 'fewer than' I can say 1 more or less than a given number up to 5 | I can partition numbers up to 6 into two groups I can partition numbers up to 12 into two groups | I can tell the time to the hour and half past the hour I can tell the time using quarter past and quarter to the hour. | I can tell the time to the nearest 5 minutes <br> I can tell the time to the nearest minute | I can revise and know the multiplication and division facts for the $0,1,2,3,4$, $5,8 \& 10$ times tables. | I can revise and know the multiplication and division facts up to $12 \times 12$. | I know the multiplication and division facts for the 75 times table (Aswell as revising the 25,50 and 100 times table facts.) | Consolidation |
| Summer 2 | I can count, read and order numbers to 5 I can count, read and order numbers to 10 | I can count, read and order numbers to 20 I can count, read and order numbers to 50 | I know number bonds for each number to 10 with increasing speed | I can add multiples of 10 | I can recall facts about durations of time including knowing the days in each month. | I know the multiplication and division facts for the 25,50 and 100 times table. | I can recall square numbers up to $12^{2}$ and their square roots. <br> I can recall cube numbers up to $12^{2}$ | Consolidation |
