Dear Parent/Carer,

Next week Year 6 will be learning about conception at school as part of their PSHE lesson. The resources used will be video 5 from the following link:

[https://www.healthpromotion.ie/index.php/health/inner/busy\\_bodies](https://www.healthpromotion.ie/index.php/health/inner/busy_bodies)

And the appropriate pages from:

<https://www.healthpromotion.ie/hp-files/docs/HPM00478.pdf>

We will also take part in a matching activity where children will match medically correct names of the human reproductive system to age-appropriate diagrams.

As this is a suggested part of the RSE curriculum we assume that all parents will be happy for their child to attend these sessions but please contact the school if you would prefer them not to take part.

Yours sincerely,

Mrs Dixon and Mrs Snodgrass
