

All About Me – Week Six

The theme for our learning this week will be 'My Feelings'. Next week we will be thinking about how we change as we grow older. It would be really helpful if your child could bring in photographs of themselves as a baby.

<p><u>Communication and Language</u></p> <p>A display about different emotions will be added to the classroom this week. We will support the children to use it to talk about how they are feeling throughout the day.</p>	<p><u>Personal, Social and Emotional Development</u></p> <p>We will be Reading the story 'In my heart' by Jo Witek and identifying different emotions. We will think about how people show emotions in different situations.</p>	<p><u>Physical Development</u></p> <p>We are planning to listen to pieces of music that suggest different emotions and create dances in response to them. The children will practise their scissor skills by cutting materials to use to create a colour collage.</p>
<p><u>Literacy</u></p> <p>Our focus is on poetry this week, exploring two poems by Michael Rosen. The children will be encouraged to join in with the patterned language and write a response to one of the poems.</p>	<p><u>Mathematics</u></p> <p>We will be using the story 'The Colour Monster', as a basis for our work on comparing numbers. The children will sort objects into groups based on colour and talk about which has the most/fewest.</p>	<p><u>Understanding the World</u></p> <p>We will be thinking about what it means to belong to a community and asking the children to consider which communities they belong to.</p>
<p><u>Expressive Arts and Design</u></p> <p>We will be learning the song "If You're Happy and You Know It" and making up new verses based on different emotions.</p>	<p><u>Ideas to Explore at Home</u></p> <p>Visit www.michaelrosen.co.uk to watch videos of Michael Rosen performing some of his poems.</p> <p>Talk to your child about how they feel in different situations throughout the day. Ask your child to make collections of toys that are different colours. Which set has the most in it?</p>
